March 2023  
Rajee Subramanian

# Keith Haring

- Born on May 4, 1958, in Reading, Pennsylvania.
- Famous for his bold drawings/color, cartoon, pop art, graffiti art
- Fascinated by the popular cartoon art of Walt Disney and Charles Schultz.
- Studied art in New York visual arts university
- He created his own store to sell his art on objects and everyday items.
- He did numerous workshops for children
- He left the world on Feb 16, 1990
- His work is exhibited in famous museums around the world

# Photos of some of his Subway Drawings:

He transferred stick figures into work of art

He would draw and paint on  
almost anything and everything

He  
painted  
his  
own  
car,  
  
and...

...EVEN HIMSELF!

He opened a store in New York to sell his own artwork.

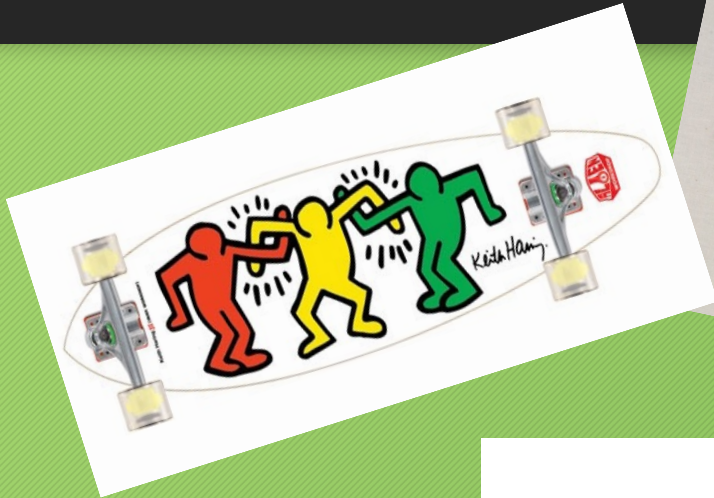

He painted the inside in his own signature style.

# What kinds of things could you buy at the *Pop Shop*?

He used action marks to  
bring his figures to life:

# Art Principles Movement & Rhythm

- MOVEMENT is the path the viewer's eye takes through a work of art.
- Movement is used to create the look and feeling of action in artwork.
- Movement can be directed along lines, edges, shapes and color

# Art technique - Metal Tooling

Metal tooling is a centuries-old art in which a soft metal is worked with a rounded tool on the back side in order to create a raised design on the front.

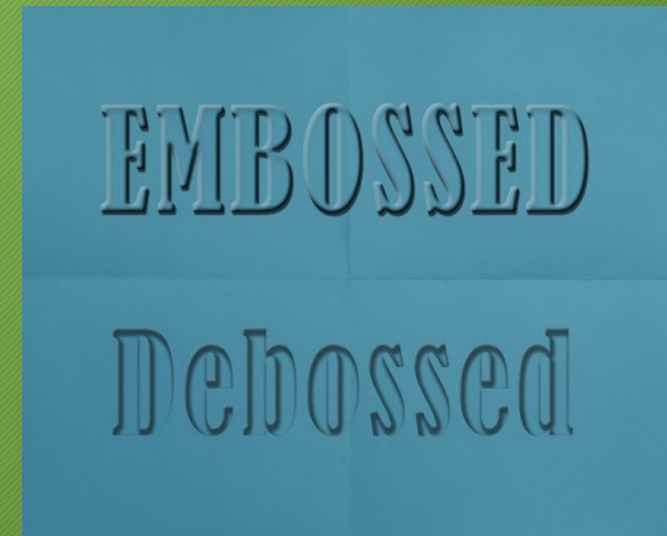

Mexican and South American artists call this art form repajado

# Art technique - Embossing

- An embossed pattern is raised against the background
- A debossed pattern is sunken into the surface of the material (but might protrude somewhat on the reverse, back side).
- So you tool on one side (debossed) and the other side is embossed
- Color on the embossed side

# Safety guidelines - working with metal foil

Metal foil can be sharp at the edges

It may be tempting to touch and feel the metal foil

Be gentle. Do not grasp/snatch

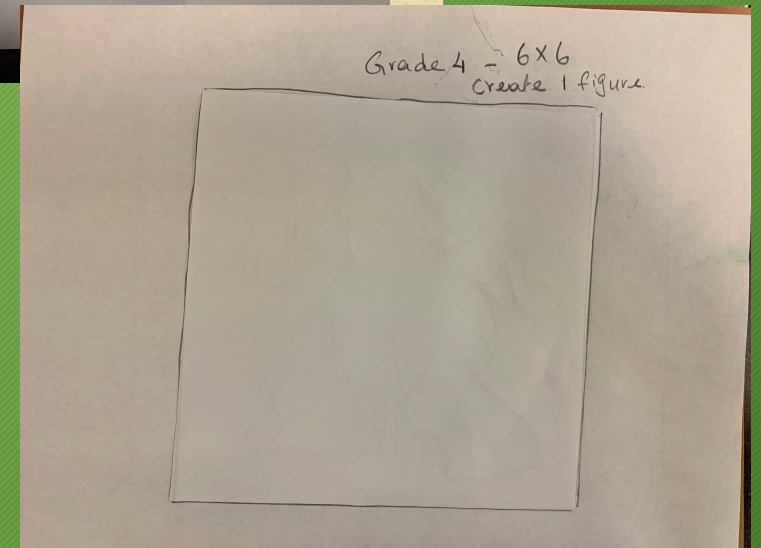

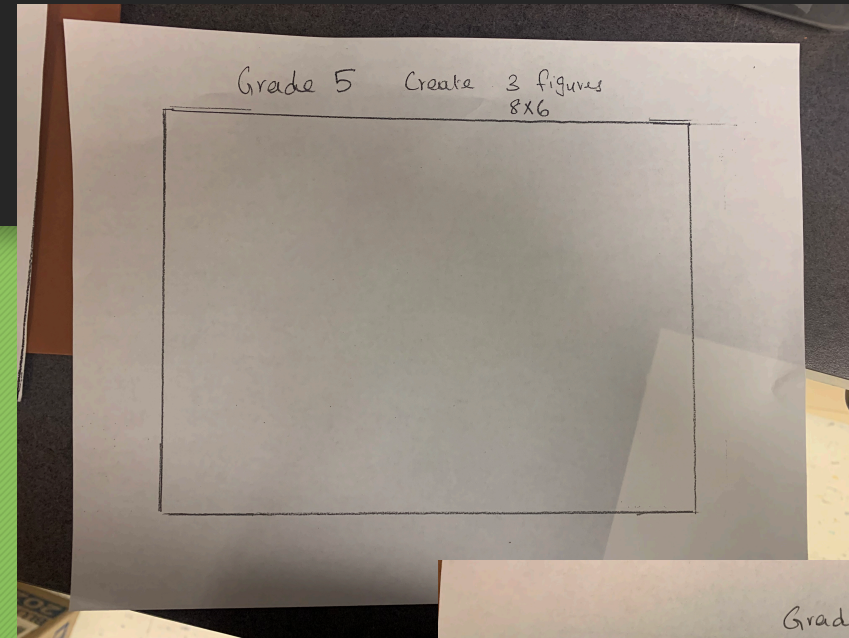

Never run your fingers along the edges of the metal foil

Just like paper cut it can cut your self

# Materials

- 6x6 tin foil (Silver for grade 4)
- 8x6 tin foil ( Silver for grade 5)
- Grade specific Template  
( Grade 5 - 8x6, Grade 4 - 6x6)
- Wooden skewers
- Blunt pencil
- Tape
- Foam sheets
- Colored sharpies
- Colored construction sheet/any backing paper  
(All grades)

# Grade 4 & 5 figure inspiration

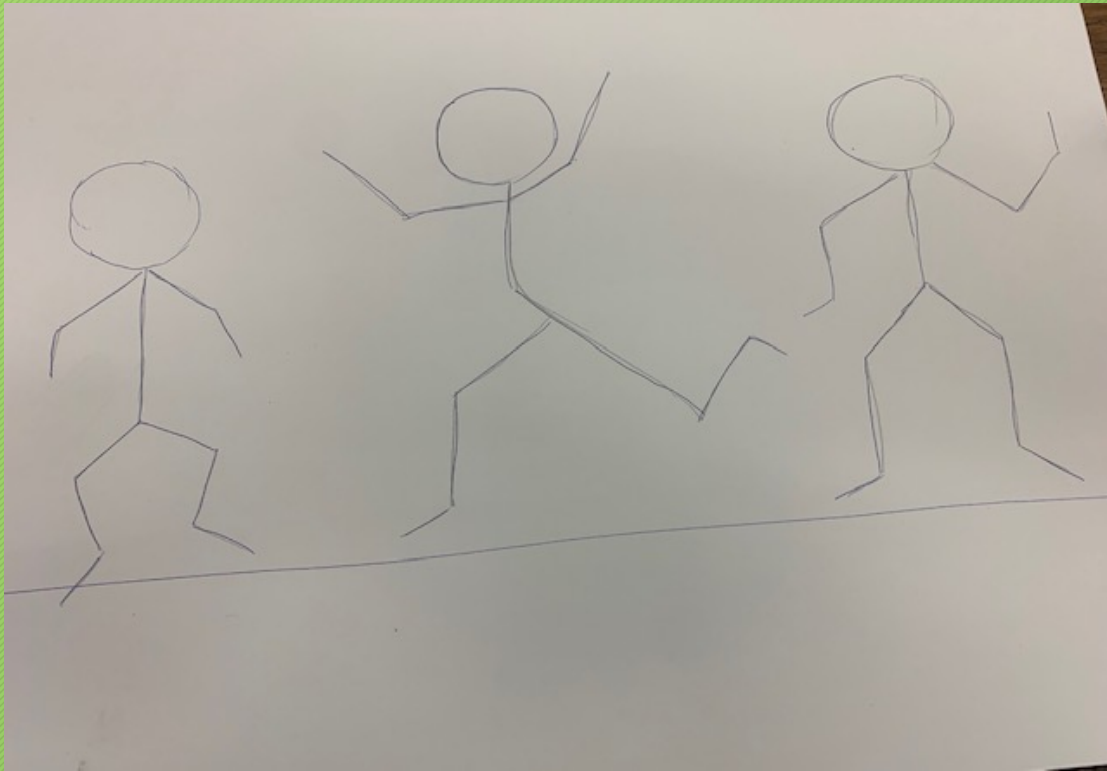

Grade 4 creates their own figure on the 6x6 silver tin foil. (Just one figure)

Grade 5 creates their own figure (3 figures) on the 8x6 silver foil

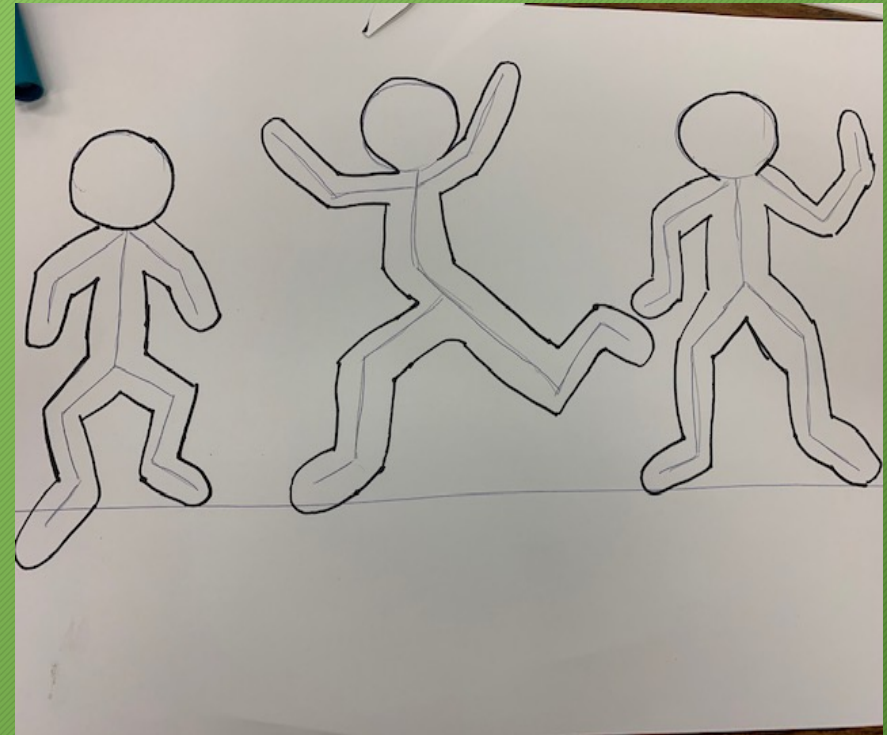

# Drawing the Figures

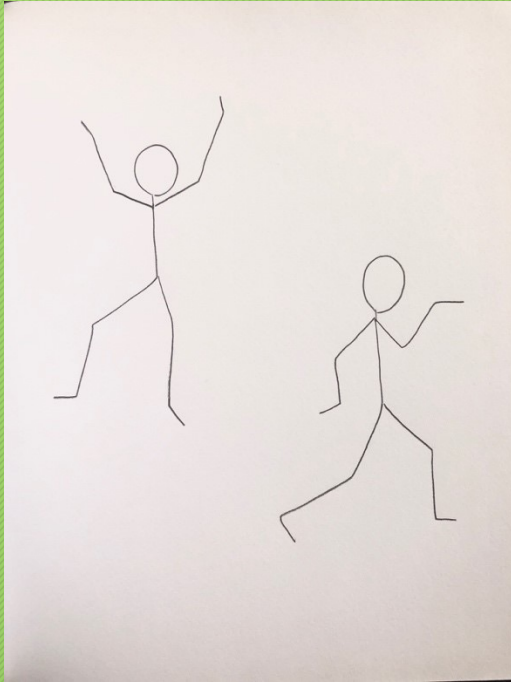

Stick figures

Bubble around it using sharpie - NO neck

# Grade 4(one figure) & 5(3 figures) STAND up and pose to figure out the posture

# Grade 4 & 5 figure inspiration

Grade 4 creates their own figure on the 6x6 silver tin foil. (Just one figure)

Grade 5 creates their own figure (3 figures) on the 8x6 silver foil

# Grade 4

- Draw your own stick figures (only one), follow the same procedure for all grades

# Grade 5

Draw your own stick figures (two or three), follow the same procedure for all grades

Rajee  
😊

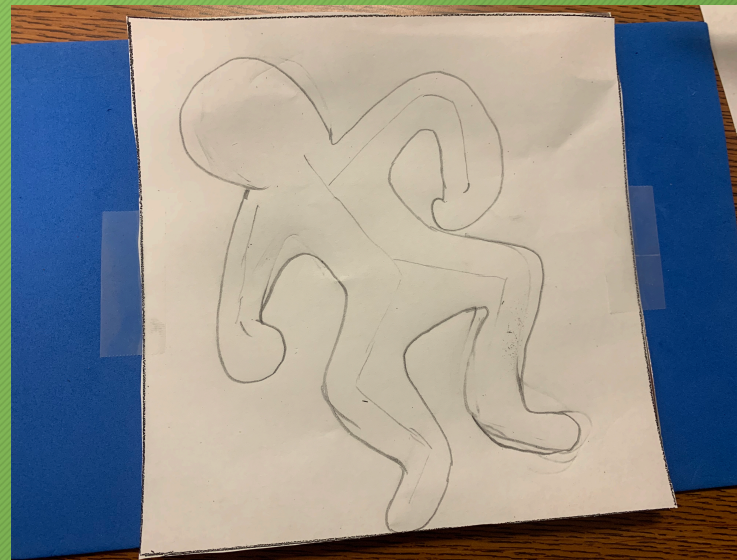

# Procedure for Tooling (All grades)

Step 1: Place the foam sheet

Step 2: Then place the tin foil and tape it

Step 3: Place the template on the foam sheet

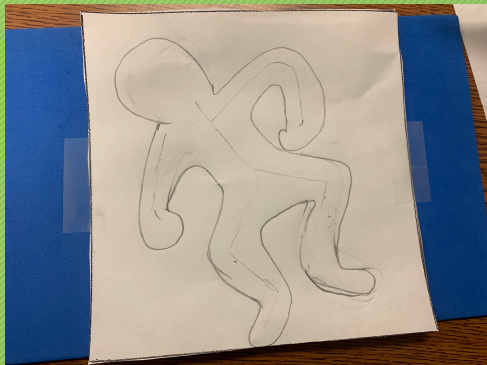

Step 4: Tape the template and the foil on the both sides on the foam sheet

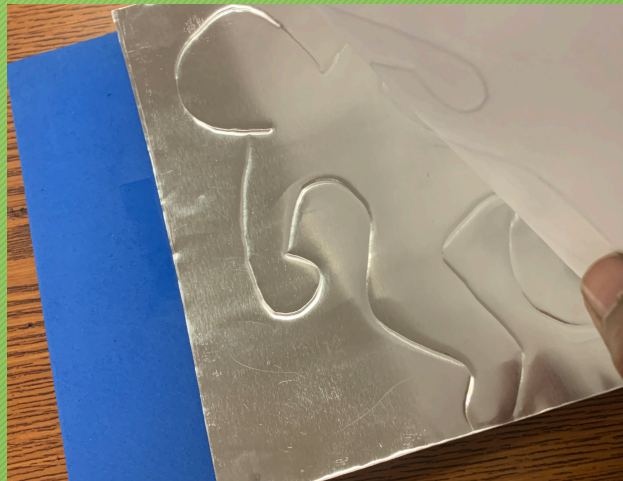

# Procedure for Tooling & Embossing (All grades)

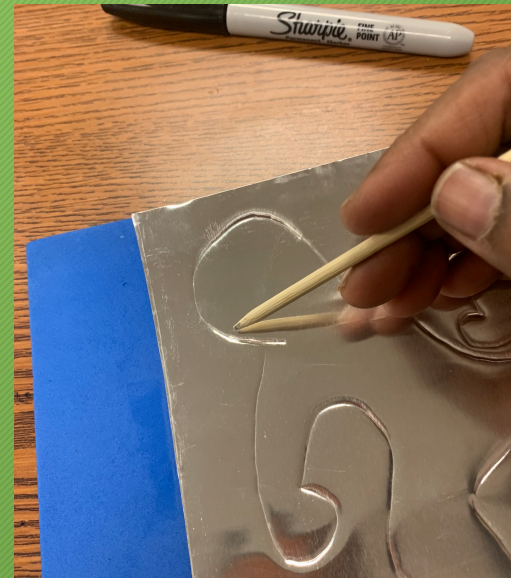

Step 5: trace the image hard and connect the dots using a blunt pencil

Step 6: Remove the tape and the template once completed

Step 7: Retrace the lines using wooden skewers or pencil to make sure the tooling has depth

Step 8 : Flip the foil to see the embossed side

# Procedure for Tooling & Embossing (All grades)

Step 9: retrace both outside the shapes and inside the shapes with wooden stick or back of the pencil eraser side. Remember to also add action marks

Step 10: the raised lines are the embossed part (protruding lines) Color with sharpie

Step 11: Place foil on the backing paper. Tape the four corners and write your name.

# Art show - May 10 - 5:00pm - 7:00pm

- 2022 Art Show - <https://www.youtube.com/watch?v=ql19l1ugCA4>
- Interactive mural in the amphitheater
- 2 pieces of art per class - Choose here by April 15<sup>th</sup>
- 2 Labels will be created
- Mounting instructions - given at the next meeting - Mounted art to be submitted by May 5<sup>th</sup>
- Mounting materials (April 23 in the MPR) - other days following the April 23 in art room
- Volunteers needed - Day of the event - Sign up genius will be sent - Please sign up
