## What is the Quail Run Learning Fund?

It's no secret that the best schools have extra resources that greatly benefit their children and their community - which is why your support is so important!

The Quail Run Learning Fund (QRLF) is a parent-run nonprofit organization dedicated to raising funds to supplement the public school education of our children.

QRLF provides support for more teachers, staff help, educational programs, technology, etc. that our students and school might need.

The Quail Run Learning Fund Board is made up of Quail Run parents, staff and supporters. The board typically meets monthly, usually on a Friday morning. There, we hear about the needs of the school and help where we can.

Currently, we do have some openings on our Board and on our fundraiser committees. If you would like to help out, make an impact and be informed about our school, please let us know; we would love to tell you more!

## Thanks to you...

This summer, we installed two sunshades over our playground! Your support of our Fun-Run this April made this happen and it will help on those very hot days!

In addition, your support has also provide some everyday things we need for our school, the library, classrooms, toward a set of new computers and more! Thank you!

Thank you for our new Sunshades!

## A Word From Our President...

Welcome back! Can you believe we're starting another new school year? I hope you had a great summer and are excited for our children as they get ready for the first day of school!

My name is Ameena Payne and this is my second year as President of the Learning Fund. My family moved to San Ramon in 2012 and I have three children at Quail Run (1<sup>st</sup>, 4<sup>th</sup> & 5<sup>th</sup> grades) and know first-hand that being involved in such a diverse school community is an incredibly rewarding experience.

Please know that you are always welcome to visit our board meetings to give your input and feedback on where you think our resources can be best utilized to help give our children the best educational opportunities.

This year, families that provide support of \$350 or more to the Learning Fund (including classroom donations) will receive a Quail Run tumbler (see rt.) as a sincere thanks. I hope it will help you with your morning beverage of choice as you start your busy days!

Have a great year! - Ameena

## Don't Forget About Corporate Matching!

Did you know that your employer might have a Corporate Matching Program? 65% of Fortune 500 Firms offer these programs; companies like AT&T, Clorox, Cisco, Chevron, GAP and many others provide this as a part of your employ benefits.

This means that every dollar you give to help Quail Run could potentially be doubled (or more) by your company – free funds that can double your support of your kids and our school!

Please check with your employer. Usually, your benefits website or human resources department can let you know. If your employer does offer matching, please follow the steps below. We would be glad to help you through the process to help our school!

### Simple Steps to Get a Corporate Match...

Once you make your contribution, your company will require you to complete a form and before they send out the matching funds. The form is often done online or with a paper form. We would be glad to help you complete the forms. E-mail us at [QRLFund@gmail.com](mailto:QRLFund@gmail.com)!

1. First, make your contribution to the Quail Run Learning Fund at Registration (or any time).
2. Check with your company, complete the required forms and submit them to your company.
3. Your company will contact us and we will verify your donation with them.

Our organization name is: *Quail Run Learning Fund* and our Tax ID is *13-4339530*.
