How CORPORATE MATCHING WORKS

DOUBLE or even **TRIPLE** your contribution to our school
Make your registration donations go even further with Corporate Matching

Did you know that many businesses offer a matching gift program as a part of their employee benefits package? These programs allow you to direct your organization's philanthropy for the benefit of Quail Run Elementary. **Thanks to the generosity of these companies we raised over \$28,000 last school year.**

IMPORTANT NOTES

Your entire contribution to the Quail Run Learning Fund is eligible for matching (your Learning Fund donation PLUS Classroom supplies, Music, Field Trips, Arts, Science and Technology donation). Most companies match dollar for dollar. This means if you contributed \$495 your company will also contribute \$495 to the Learning Fund. Our Tax ID# is 13-4339530. Organization name is Quail Run Learning Fund. ***PTA payments do not apply for corporate matching.***

Many companies also contribute through Matching Volunteers Hours!

SIMPLE STEPS FOR CORPORATE MATCHING

1. Write a check to the Quail Run Learning Fund at Registration (or any time during the school year).
2. Go to the HEPdata portal to check if your employer has a corporate matching program. The link is <http://ematch.hepdata.com:8080/ematch/search/srvef>
3. Complete the corporate matching fund forms for your employer and submit all forms to your employer HR
4. Once all forms submitted to employer, the employer will contact QRLF and we will do the rest in verifying the donation.
